### **LiftInt [Intro2]**

I would now like to ask you some questions about car sharing or lift sharing. This is when 2 or more people who live in different households share a car and travel together for a particular journey. For example, it could include regularly car sharing with other people to travel to work or the shops or more occasional journeys, such as day trips.

[IF CAR/VAN AS PASSENGER OR DRIVER]

Please include informal arrangements you have with friends or family for example and more formal car sharing schemes that are operated through an employer or another company. Do not include journeys that you have made in a taxi.
