Dear Mr Tasker

ADMIRALTY DIGITAL LIST OF LIGHTS

The Maritime and Coastguard Agency (MCA) has recently undertaken a period of evaluation of the United Kingdom Hydrographic Office's (UKHO) Admiralty Digital List of Lights. This evaluation exercise subsequently resulted in UKHO making a number of minor modifications to enhance the user interface.

I am now pleased to advise you that the MCA recognises this product (Admiralty Digital List of Lights) as one of the nautical publications considered to satisfy the carriage requirements under Regulation 19.2.1.4 of the revised Chapter V of the Safety of Life at Sea (SOLAS) Convention. This Chapter is given effect, in UK legislation, by the Merchant Shipping (Safety of Navigation) Regulations 2002.

Please note that MCA recognition has been backdated to **15 March 2004**, corresponding to the date of notification, by UKHO, that the changes to the user interface had been made.

I trust that you are content with this arrangement.

Yours sincerely

J.P. Collins
