Dear Mr Smith

Admiralty Digital Radio Signals (Volume 6)

The Maritime and Coastguard Agency (MCA) has recently undertaken a period of evaluation of the United Kingdom Hydrographic Office's (UKHO) Admiralty Digital Radio Signals (Volume 6).

As a result, I am now pleased to advise you that MCA recognises this product as one of the nautical publications considered to satisfy the carriage requirements under Regulation 19.2.1.4 of the revised Chapter V of the Safety of Life at Sea (SOLAS) Convention. This Chapter is given effect, in UK legislation, by the Merchant Shipping (Safety of Navigation) Regulations 2002.

Yours sincerely

J. P. Collins
