

**COVERING PRO-FORMA FOR LOCAL AUTHORITIES PROPOSING  
BYELAWS FOR CONFIRMATION BY THE SECRETARY OF STATE FOR  
TRANSPORT**

Name of Local Authority .....

I have attached Proposed and (if applicable) current Byelaw

Name of person completing pro-forma .....  
*(in block capitals please)*

1. Do all your proposed Byelaws follow one of the Model Byelaws?

Yes		No	
-----	--	----	--

If No, please give brief reasons for this

2. Do any of the proposed Byelaws apply further out than 200 metres from the low water mark at high tide?

Yes		No	
-----	--	----	--

If Yes, please give brief reasons for this

3. Do the proposed Byelaws apply the same measures to the whole coastal area of your Local Authority's jurisdiction?

Yes		No	
-----	--	----	--

If Yes, please give brief reasons why they need to apply to the whole area

4. If the answer to question 3 above is "No", please give a breakdown of each designated area affected by the proposed Byelaws, by:

- a. providing an exact description of the boundaries by means of a line drawn between two exacts point on the shore (in the case of a bay or irregular shoreline where this is possible) or

- b. providing an exact description of the boundaries by a line extending seaward from an exact point on the shore seaward for a distance of "X" metres from the mean low water mark at high tide.
