

Passengers

Passengers - covers annual international and domestic passenger and passenger vehicle traffic at UK ports. Annual figures appear first in the Sea Passenger Bulletin and then with additional domestic traffic in the Maritime Statistics Report, Section 3.

Important Note: From 24 July 2008, the international sea passenger totals will be updated monthly via a spreadsheet on this page (see link below). From August onwards, the update will take place on the second Thursday of the month.

Email: maritime.stats@dft.gsi.gov.uk for more information about the data, surveys and publications.
