

Transport Statistics Great Britain (TSGB)

Transport Statistics Great Britain (TSGB) is a major publication within the scope of National Statistics and provides an accurate, comprehensive and meaningful picture of transport patronage in Great Britain.

The electronic data tables that make up TSGB are on the web-site in both PDF and EXCEL format, enabling users to manipulate the information to produce further tables or charts, these can be found by searching through, [Statistics \(data, tables and publications\)](#)

TSGB 2007 was released on 1 November 2007 - you can purchase a copy from [TSO](#) for $\text{£}33$, or download a free PDF version using the link opposite.

Over the next 12 months we will be updating TSGB tables on the website at regular intervals.
