

Notes and Information

This is the Department for Transport website for statistics concerning all aspects of transport in Great Britain. This website is designed so that users can locate transport statistical information either by selecting the publication material that is produced by Transport Statistics, or by the topical areas. We hope that you find this facility useful and if you have any comments or suggestions then please e-mail [Transport Statistics](#) . We would be pleased to receive any suggestions for improvement in any aspect of this service or to any of our other publications.

Please note that when downloading certain Excel files you may be prompted to 'update links' to the file - please key 'NO' for this option. If you are asked whether the file 'is from a trusted source' please key 'YES' to open the file.

See the links below for free downloads. Microsoft Viewers let you view, open and print documents created in all previous versions of Microsoft Office for Windows.
