**The Welsh Traffic Area - Change of Postal Address from**  
**22 January 2007 for Goods Vehicle Operator Licensing.**

Following a review by VOSA of its operations, the processing of Operator licence applications will be moving from the regional Traffic Area Offices to a central licensing unit in Leeds.

This note contains important information about forthcoming changes to the Postal Address of The Welsh Traffic Area (TWTA). The changes for TWTA will take place from during the week of 22 January 2007.

The aim of Centralisation is to deliver a more consistent handling of applications and an improved service with one correspondence address for all operator licensing.

The central processing unit will support the existing Traffic Commissioners and their role as the independent Licensing Authority will not be affected.

Decisions on TWTA licences will continue to be made in the local Office of the Traffic Commissioner. Traffic Area boundaries will remain unchanged and Public Inquiries will continue to be held locally

#### PSV Operator Licensing

**Inspection of licence applications** can be requested under the provisions of Regulation 4 of the Public Service Vehicles (Operators' Licences) Regulations 1995 by anybody who holds statutory Objector status. Applications may be inspected free of charge at the Traffic Commissioner's office by any person who carries written authorisation to act in that capacity. Alternatively, copies of weekly publications can be obtained by either an annual subscription of £91 or £3.50 for individual publications. Details can also be viewed by visiting **the VOSA website at [www.transportoffice.gov.uk](http://www.transportoffice.gov.uk)**

**Objections against applications for licences** may be made in writing by a Chief Officer of Police or local authority within 21 days after the date on which notice of an application is published in Notices and Proceedings. Objections must be made on the grounds that one or more of the requirements mentioned in Section 14(1) and (3) of the Public Passenger Vehicles Act 1981 are not satisfied in relation to the application. A copy of the objection must be sent by the Objector to the applicant at the same time that it is sent to the Traffic Commissioner. The onus of proof in terms of the grounds on which an objection is lodged lies with the objector. There is no right of objection against an application for a special licence submitted under Section 12 of the Transport Act 1985.

**Classification of Operator Licences** - There are four classes of licence: -

- A **Standard International (S/I)** licence authorises the use of any description of public service vehicle on both National and International operations;
- A **Standard National (S/N)** licence authorises the use of any description of public service vehicle on National operations;
- A **Restricted licence (R)** authorises the use of (a) public service vehicles not adapted to carry more than eight passengers and (b) those not adapted to carry more than sixteen passengers when used otherwise than in the course of a business of carrying passengers or by a person whose main occupation is not the operation of public service vehicles adapted to carry more than eight passengers;
- A **Special Restricted (SR)** licence under Section 12 of the Transport Act 1985 is granted to the holder of a taxi licence to enable local services to be operated.

**Appeals in connection with PSV Operator Licences** must be lodged with the Transport Tribunal, Procession House, 55 Ludgate Hill, London EC4M 7JW not later than 28 days after the date of the letter conveying the Traffic Commissioner's (or Deputy Traffic Commissioner's) decision. A copy of the appeals booklet is available from the Traffic Area Office on request. Appellants can alternatively obtain guidance on lodging appeals by visiting **the VOSA website at [www.transportoffice.gov.uk](http://www.transportoffice.gov.uk)**

**Any previous entry in Notices and Proceedings** is indicated by the publication number in brackets.

**The VOSA web-site** contains details of all applications listed in this section.
