Section 2

PSV Operator Licensing

Inspection of licence applications can be requested under the provisions of Regulation 4 of the Public Service Vehicles (Operators' Licences) Regulations 1995 by anybody who holds statutory Objector status. Applications may be inspected free of charge at the Traffic Commissioner's office by any person who carries written authorisation to act in that capacity. Alternatively, copies of weekly publications can be obtained by either an annual subscription of £91 or £3.50 for individual publications. Details can also be viewed by visiting **the VOSA website at www.businesslink.gov.uk/transport**.

Objections against applications for licences may be made in writing by a Chief Officer of Police or local authority within 21 days after the date on which notice of an application is published in Notices and Proceedings. Objections must be made on the grounds that one or more of the requirements mentioned in Section 14(1) and (3) of the Public Passenger Vehicles Act 1981 are not satisfied in relation to the application. A copy of the objection must be sent by the Objector to the applicant at the same time that it is sent to the Traffic Commissioner. The onus of proof in terms of the grounds on which an objection is lodged lies with the objector. There is no right of objection against an application for a special licence submitted under Section 12 of the Transport Act 1985.

Classification of Operator Licences - There are four classes of licence: -

- A **Standard International (S/I)** licence authorises the use of any description of public service vehicle on both National and International operations;
- A **Standard National (S/N)** licence authorises the use of any description of public service vehicle on National operations;
- A **Restricted licence (R)** authorises the use of (a) public service vehicles not adapted to carry more than eight passengers and (b) those not adapted to carry more than sixteen passengers when used otherwise than in the course of a business of carrying passengers or by a person whose main occupation is not the operation of public service vehicles adapted to carry more than eight passengers;
- A **Special Restricted (SR)** licence under Section 12 of the Transport Act 1985 is granted to the holder of a taxi licence to enable local services to be operated.

Appeals in connection with PSV Operator Licences must be lodged with the Transport Tribunal, Upper Tribunal - Administrative Appeal Chamber(Transport), 7th Floor, Victory House, 30-34 Kingsway London, WC2B 6EX not later than 28 days after the date of the letter conveying the Traffic Commissioner's (or Deputy Traffic Commissioner's) decision. A copy of the appeals booklet is available from the Traffic Area Office on request. Appellants can alternatively obtain guidance on lodging appeals by visiting **the VOSA website at www.businesslink.gov.uk/transport**.

The Tribunal's website is www.administrativeappeals.tribunals.gov.uk.

Any previous entry in Notices and Proceedings is indicated by the publication number in brackets.

The VOSA web-site contains details of all applications listed in this section.

PAUL MORGAN T/A SWANSEA LIMOS

PENTRE CHWYTH ROAD SWANSEA SA1 7AW

Operating Centre: PENTRECHWYTH ROAD, PENTRECHWYTH , SWANSEA
SA1 7AN

Authorisation:2 Vehicle(s).

New Undertaking: Operator will not operate any small vehicles (normally 8
passenger seats or less) except for weddings.

Operator will not “dry hire” vehicles.

(a) The operator will advise the traffic commissioner of the type and registration
number of vehicles used under that licence, and will advise of any changes —
section 20(3) of the Public Passenger Vehicles Act 1981.

(b) The operator will send in the original V5 document to the traffic commissioner,
and will not use any vehicle without prior written approval from the traffic
commissioner.

(c) Each stretched limousine / novelty vehicle to be used under the licence will have
a V5 registration book, and the operator must possess and produce when asked to do
so a document confirming this.

(d) Each stretched limousine / novelty vehicle will receive a full safety inspection
(maximum every 10 weeks) in premises suitable for the vehicle to ensure that its
roadworthiness is maintained. Records of all inspections must be kept in accordance
with the Guide to Maintain Roadworthiness.

(e) At no time will the stretched limousine carry more than eight passengers.

(f) The operator will at all relevant times comply with the legislation in respect of
the charging separate fares and retain 12 months’ evidence of this compliance for
each journey.

(g) Drivers of stretched limousine will carry with them documentary evidence that
separate fares have been charged for the current journey.

(h) The operator will comply with sections 2 and 6 of the Transport Act 1985 with
regard to local service registration and must be able to show compliance with these
sections to VOSA, on request. This will include proof of payment of separate fares
and either:

- Proof that passengers have travelled more than 15 miles. This will usually be
evidence by showing postcodes; or

- Proof that the service is an excursion or tour and falls outside the definition of a
local service.

(i) The operator will not use a vehicle that does not meet the ECVVTA standards
or British construction and use requirements.

(j) The operator will not use any vehicle where the traffic commissioner considers
its use to constitute an illegal practice such as ‘dry hiring’ or purporting to operate
under specious and irrelevant authority such as reference to schedule 6 or section 6
(which usually refers to construction and use provisions to allow the driving of a
vehicle for private use — as opposed to hire or reward), in an effort to circumvent
the operator licensing requirements.

(k) If the operator seeks to use the ‘tours and excursions’ exception to the 15 mile
rule, again this should be evidenced and readily available to VOSA. This may be on
the booking form. The limits of the ‘tours & excursions’ exemption will also be
fully understood by the operator, for example it cannot be available for more than
six weeks.

(l) The operator or driver will not break the alcohol laws.

Attached to Licence.

Registration of Local Bus Services

The current fees for new and variation applications can be found on the VOSA website. Applications to cancel registrations are free.

When an application is sent to the Traffic Area Office, a copy of all application forms and supporting documents must also be sent to each of the County Councils and Unitary Authorities in whose area the service will operate. Failure to do so may delay acceptance of that application.

Some of the periods of notice applicable before the operation of registered services, including variations or cancellations, are at the discretion of the Traffic Commissioner. In such cases the application must be accompanied by a written explanation of why a short notice period is required.

Any registration may be inspected at the office of the Traffic Commissioner during public business hours and copies of registrations can be sent by post or fax to any interested party upon prior receipt of a written request together with a fee of £3.00 per copy for posted copies or £5.00 per copy for faxed copies.
