## Section 2 – PSV Operator Licensing

**Inspection of licence applications** can be requested under the provisions of Regulation 4 of the Public Service Vehicles (Operators' Licences) Regulations 1995 by anybody who holds statutory objector status. Applications may be inspected free of charge at the traffic area office in Leeds by any person who carries written authorisation to act in that capacity.

**Objections against applications for licences** must be made in writing by a Chief Officer of Police or by a local authority within 21 days of the date on which notice of an application is published in Notices and Proceedings. Objections must be made on the grounds that one or more of the requirements mentioned in Sections 14(1) and (3) of the Public Passenger Vehicles Act 1981 are not satisfied in relation to the application. A copy of the objection must be sent by the objector to the applicant at the same time that it is sent to the Traffic Commissioner. The onus of proof in terms of the grounds on which an objection is lodged lies with the objector. There is no right of objection against an application for a special licence submitted under Section 12 of the Transport Act 1985.

**Classification of Operator Licences** – There are four classes of licence:

- A **Standard International (SI)** licence authorises the use of any description of public service vehicle on both national and international operations;
- A **Standard National (SN)** licence authorises the use of any description of public service vehicle on national operations;
- A **Restricted licence (R)** authorises the use of:
  - a) public service vehicles not adapted to carry more than eight passengers; and
  - b) those not adapted to carry more than sixteen passengers when used otherwise than in the course of a business of carrying passengers or by a person whose main occupation is not the operation of public service vehicles adapted to carry more than eight passengers;
- A **Special Restricted (SR)** licence, issued under Section 12 of the Transport Act 1985, authorises the holder of a taxi or private hire vehicle licence to operate local services.

**Appeals in connection with PSV Operator Licences** must be lodged with the Upper Tribunal – Administrative Appeal Chamber (Transport), 7th Floor, Victory House, 30-34 Kingsway, London, WC2B 6EX not later than 28 days after the date of the letter conveying the Traffic Commissioner's (or Deputy Traffic Commissioner's) decision. Appellants can obtain guidance on lodging appeals, including downloading the appeal form, from the website: [www.administrativeappeals.tribunals.gov.uk](http://www.administrativeappeals.tribunals.gov.uk)

Until such times as revised application forms are available operators should enclose a copy of the letter sent to the local authorities/SPT with the application to the Traffic Commissioner.

**Some of the periods of notice applicable before the operation of registered services**, including variations or cancellations, are at the discretion of the Traffic Commissioner. In such cases the application must be accompanied by a written explanation of why a short notice period is required along with, if appropriate, a letter from the local authorities/SPT indicating support.

**Any registration may be inspected** at the office in Edinburgh during public business hours.
