### PSV Operator Licensing

**Inspection of licence applications** can be requested under the provisions of Regulation 4 of the Public Service Vehicles (Operators' Licences) Regulations 1995 by anybody who holds statutory Objector status. Applications may be inspected free of charge at the Traffic Commissioner's office by any person who carries written authorisation to act in that capacity. Alternatively, copies of weekly publications can be obtained by either an annual subscription of £91 or £3.50 for individual publications. Details can also be viewed by visiting the **VOSA website** at [www.vosa.gov.uk](http://www.vosa.gov.uk)

**Objections against applications for licences** may be made in writing by a Chief Officer of Police or local authority within 21 days after the date on which notice of an application is published in Notices and Proceedings. Objections must be made on the grounds that one or more of the requirements mentioned in Section 14(1) and (3) of the Public Passenger Vehicles Act 1981 are not satisfied in relation to the application. A copy of the objection must be sent by the Objector to the applicant at the same time that it is sent to the Traffic Commissioner. The onus of proof in terms of the grounds on which an objection is lodged lies with the objector. There is no right of objection against an application for a special licence submitted under Section 12 of the Transport Act 1985.

**Classification of Operator Licences** - There are four classes of licence: -

- A **Standard International (S/I)** licence authorises the use of any description of public service vehicle on both National and International operations;
- A **Standard National (S/N)** licence authorises the use of any description of public service vehicle on National operations;
- A **Restricted licence (R)** authorises the use of (a) public service vehicles not adapted to carry more than eight passengers and (b) those not adapted to carry more than sixteen passengers when used otherwise than in the course of a business of carrying passengers or by a person whose main occupation is not the operation of public service vehicles adapted to carry more than eight passengers;
- A **Special Restricted (SR)** licence under Section 12 of the Transport Act 1985 is granted to the holder of a taxi licence to enable local services to be operated.

**Appeals in connection with PSV Operator Licences** must be lodged with the Transport Tribunal, 48-49 Chancery Lane, London WC2A 1JR not later than 28 days after the date of the letter conveying the Traffic Commissioner's (or Deputy Traffic Commissioner's) decision. A copy of the appeals booklet is available from the Traffic Area Office on request. Appellants can alternatively obtain guidance on lodging appeals by visiting the **VOSA website** at [www.vosa.gov.uk](http://www.vosa.gov.uk)

Any previous entry in Notices and Proceedings is indicated by the publication number in brackets.

The VOSA web-site contains details of all applications listed in this section.

**When an application is sent to the Traffic Area Office**, a copy of all application forms and supporting documents must also be sent to each of the County Councils and Unitary Authorities in whose area the service will operate. Failure to do so may delay acceptance of that application.

**Some of the periods of notice applicable before the operation of registered services**, including variations or cancellations, are at the discretion of the Traffic Commissioner. In such cases the application must be accompanied by a written explanation of why a short notice period is required.

**Any registration may be inspected at the office of the Traffic Commissioner** during public business hours and copies of registrations can be sent by post or fax to any interested party upon prior receipt of a written request together with a fee of £3.00 per copy for posted copies or £5.00 per copy for faxed copies.

### **London Local Service Licensing**

#### **SPECIAL NOTICE TO HOLDERS OF LONDON LOCAL SERVICE LICENCES EXPIRING IN 2005**

A large number of London Local Service Licences are due to expire in 2005 compared to a smaller number that expire in 2004. To more evenly balance the number of replacement applications required for London Service Permits over the two year period, holders of existing London Local Service Licences that are not due to expire until 2005, are advised that during the period 1 March 2004 to 30 April 2004, TfL London Buses will be accepting early applications for replacement London Service Permits. The normal £150 fee will be waived – *only applicable to replacements of London Local Service Licences expiring in 2005* – during the period 1 March to 30 April 2004.

The applications will be subject to TfL's current procedure on the London Service Permit process. Providing they meet the Mayor's criteria and there are no valid objections raised by the statutory authorities or by Transport for London, the applications will be granted during 2004 for a maximum period of up to five years on condition that the operator surrenders their respective London Local Service Licence(s) to the Traffic Commissioner.

Further information on this arrangement can be obtained from Barry Skinner, Licensing Manager, TfL Buses, 172 Buckingham Palace Road, London, SW1W 9TN, telephone 0207 918 3135 or email [barry.skinner@tfl-buses.co.uk](mailto:barry.skinner@tfl-buses.co.uk)
