Section 2 – PSV Operator Licensing

Inspection of licence applications can be requested under the provisions of Regulation 4 of the Public Service Vehicles (Operators' Licences) Regulations 1995 by anybody who holds statutory objector status. Applications may be inspected free of charge at the traffic area office in Leeds by any person who carries written authorisation to act in that capacity.

Objections against applications for licences must be made in writing by a Chief Officer of Police or by a local authority within 21 days of the date on which notice of an application is published in Notices and Proceedings. Objections must be made on the grounds that one or more of the requirements mentioned in Sections 14(1) and (3) of the Public Passenger Vehicles Act 1981 are not satisfied in relation to the application. A copy of the objection must be sent by the objector to the applicant at the same time that it is sent to the Traffic Commissioner. The onus of proof in terms of the grounds on which an objection is lodged lies with the objector. There is no right of objection against an application for a special licence submitted under Section 12 of the Transport Act 1985.

Classification of Operator Licences – There are four classes of licence:

- A **Standard International (SI)** licence authorises the use of any description of public service vehicle on both national and international operations;
- A **Standard National (SN)** licence authorises the use of any description of public service vehicle on national operations;
- A **Restricted licence (R)** authorises the use of:
 - a) public service vehicles not adapted to carry more than eight passengers; and
 - b) those not adapted to carry more than sixteen passengers when used otherwise than in the course of a business of carrying passengers or by a person whose main occupation is not the operation of public service vehicles adapted to carry more than eight passengers;
- A **Special Restricted (SR)** licence, issued under Section 12 of the Transport Act 1985, authorises the holder of a taxi or private hire vehicle licence to operate local services.

Appeals in connection with PSV Operator Licences must be lodged with the Upper Tribunal – Administrative Appeal Chamber (Transport), 7th Floor, Victory House, 30-34 Kingsway, London, WC2B 6EX not later than 28 days after the date of the letter conveying the Traffic Commissioner's (or Deputy Traffic Commissioner's) decision. Appellants can obtain guidance on lodging appeals, including downloading the appeal form, from the website: www.administrativeappeals.tribunals.gov.uk

Condition 1: The passenger must have been brought together for the purposes of making the journey by the driver or owner of the vehicle or by some other intermediary who is paid for doing so. In addition each journey must have been advertised to the public, so as to create a genuine opportunity for members of the public to be carried on the particular journey in question, i.e. the journey is not an exclusive hiring for an individual or group, notwithstanding that separate fares are paid. Advertisement at a place of worship, a place of work, a club or other voluntary association for the information of people present at those places, or in periodicals circulated wholly or mainly among such persons, does not count as advertisement to the general public. Finally, in the event that there are multiple destinations, there should be differentiation of fares for the journey based on distance or time.

Condition 2: The making of the agreement for the payment of separate fares must have been initiated by the driver or owner of the vehicle, or by some other intermediary who is paid for doing so – not by the passengers themselves, or any other party. In addition as in condition 1, each journey must be advertised to the public beforehand as being open to passengers to be carried at separate fares. Attached to Licence.
