Dear

FAIRVIEW INDUSTRIAL ESTATE

Thank you for your email of 1st April 2005 concerning HGV Operators on the above industrial estate. According to our records there are two. They are:

- | | |
|----------|--|
| OD250610 | Strong's Plastic Products Limited who operate from Unit 2. There are no conditions attached to this licence. |
| OD261299 | XDP Ltd t/a Express Despatch who operate from Unit 1A and Unit 5. There is one condition attached to this licence; that all vehicles will both enter and leave the premises via the access road to Kingsbury Road, in a forward gear |

No complaints have been registered against either of these operators.

Enforcement of the conditions on an operators licence is reliant upon the Traffic Commissioner being informed of any alleged breach either by members of the public, or VOSA's own enforcement officers should any relevant information come to their attention.

If I can be of any further help, please do not hesitate to contact me.

Yours sincerely
