Dear

I am writing in reply to your request for information about operator licence OF0209647.

Colin Harold Day and Barry Raymond Day, trading as Day Brothers, are authorized to operate three goods vehicles from an operating centre at 43 Bullens Green Lane, Colney Heath, St Albans AL4 0QR. Please note that the authorization refers only to vehicles based permanently at the operating centre, and does not preclude additional vehicles visiting the site, e.g. to load or unload.

Day Brothers are the holders of a Standard National goods vehicle operator's licence. A Standard National licence allows the holder to carry goods for other people for hire or reward within Great Britain. There are no special conditions attached to the licence.
