Dear

FREEDOM OF INFORMATION ACT 2000

I refer to your e-mail of 7th and my acknowledgement of 8th May 2008, concerning your request for a comprehensive list of MOT test stations in the UK.

I can confirm that at present time we are able to supply you with the requested information only for those MOT stations who have given their permission for their details to be disclosed. This amounts to approximately 10%. I have attached this list to the covering e-mail. There are plans to change the legislation relating to the MOT scheme within the next 12 months. This change may lead to all details becoming available.

If you have any queries about the information you have received, please contact me, and I will be happy to assist you. My contact details are given at the head of this letter.

If you are unhappy with the information supplied, you may ask for an internal review. To request an internal review, please write to:

VOSA Corporate Office,
Berkeley House,
Croydon Street,
Bristol,
BS5 0DA

or email vosa.corporateoffice@vosa.gsi.gov.uk

giving the reasons for your dissatisfaction. It will help us if you quote the reference number for your case.

If you do not agree with the outcome of the internal review, you may lodge an appeal with the Information Commissioner (www.informationcommissioner.gov.uk). The Information Commissioner is an independent official appointed by the Crown to oversee the Data Protection Act 1998, the Freedom of Information Act 2000 and the Environmental Information Regulations 2004.

The Information Commissioner can consider complaints about any aspect of the way in which requests for information have been handled. Please note: the Information Commissioner would be unlikely to consider your complaint if you have not first requested an internal review.

You can write to the Information Commissioner at:

The Information Commissioner's Office
Wycliffe House,
Water Lane,
Wilmslow,
Cheshire
SK9 5AF

If you have any queries about this letter, please contact us, quoting reference **F0001271**.

Yours sincerely
