Dear

FREEDOM OF INFORMATION ACT 2000

I refer to your recent e-mail requesting information and the subsequent acknowledgement.

You requested the following information:

I would like to know how many vehicles pass their MOT after the old MOT has expired or in the case of the first MOT after the 3 year period.

Could also supply this information for the number of vehicles that have not had a valid MOT for more 1 month and 6 months at the time of the test. Could you supply this information in percentage terms and the actual number of vehicles?

Could you supply this information for tests taken in 2007. If that is not possible then another date range would be acceptable as long as the actual range of dates used it provided.

In response to your request, please find attached a spreadsheet detailing information held by VOSA in relation to your request.

If you have any queries about this letter, please contact us, quoting reference **F0001312**.

If you are unhappy with the information supplied, you may ask for an internal review. To request an internal review, please write to:

VOSA Corporate Office,

or email vosa.corporateoffice@vosa.gsi.gov.uk

giving the reasons for your dissatisfaction. It will help us if you quote the reference number for your case.

If you do not agree with the outcome of the internal review, you may lodge an appeal with the Information Commissioner (www.informationcommissioner.gov.uk). The Information Commissioner is an independent official appointed by the Crown to oversee the Data Protection Act 1998, the Freedom of Information Act 2000 and the Environmental Information Regulations 2004.
