Dear

## **FREEDOM OF INFORMATION ACT 2000**

Further to our previous correspondence concerning the result of the South East pilot scheme. I have been in contact with my colleagues who were responsible for the scheme. This scheme ran for one year, and was then rolled out nationally.

The results from the actual pilot are those which you have seen in various press releases. I have attached to the covering e-mail the latest national figures which have been compiled. These are for the period April 2006 – March 2007 and April 2007 – March 2008.

If you have any queries about this letter, please contact us, quoting reference **F0001450**.

Yours sincerely
