Dear

## **FREEDOM OF INFORMATION ACT 2000**

I refer to your e-mail of 26 May 2009 and the subsequent acknowledgement.

You asked to be directed to the place on VOSA's website where the details of the 22 non-safety vehicle recalls in 2006 are published, as required by the 12 November 2008 adjudication by the Information Commissioner's Office.

The above information is not currently published on VOSA's website. I can advise that we are currently in the process of updating our disclosure log and it is intended that the relevant disclosures will therefore be published in the near future.

In his Decision Notice dated 23 October 2008, the Information Commissioner directed VOSA to disclose full details of the 22 non-safety recalls on its database in 2006. VOSA subsequently disclosed this information to the complainant.

I have attached a copy of this information for your attention.

If you have any queries about this letter, please contact us, quoting reference **F0001922**.

Yours sincerely

VOSA Information Access
