different fees in each Region and depending on fuel type - re-inspection usually about 50-60% of the amount of full inspection

Spain-2

Private cars, goods veh (<3500kg), goods veh (>3500kg), pass veh (<8pass), pass veh (>8pass) & tractors: There are different fees according to emission test (diesel, catalyzed or not catalyzed vehicles).

Normally there is no fee for re-inspection. It depends on the Regional Government. Normally a tariff by the second inspection single is not applied. Only when the rejected vehicle appears to second inspection after the term granted for repair (normally three weeks). The fee by the re-inspection is usually 70% off of the first inspection. Single a Region applies a tariff to all the re-inspections.
