MOT SEMINARS 2003

“BEST PRACTICE”

The Vehicle Inspectorate are running another round of seminars. Building on the success of previous years, we are holding 111 throughout the country. The seminars have been well received in the past, and we are looking forward to a good response again this year. So, whether you are a seminar veteran or attending your very first one, make sure you book early to avoid disappointment. The content is as follows:

- ★ **Future MOT Strategy** ★ **Improving Testing Standards**
- ★ **Improving the Image of the MOT**
- ★ **Update on Computerisation** ★ **Best Practice Ideas**

The seminars are aimed at anyone involved in MOT testing so it will benefit your testing station to bring along as many colleagues as possible. We hold the sessions in 3 and 4 star venues which provide a comfortable environment for these informative events.

- **18:45 Buffet** ■ **19:30 Presentation** ■ **20:45 Tea & Coffee**
- **21:00 Question & Answer Session** ■ **22:00 Finish**
