

Disability discrimination act (1995) PSV accessibility regulations

Who should attend

This course is ideal for people who have already attended the 3 or 5 day PSV Inspection Standards and Procedures course (page 16) to extend their expertise, and for operators/individuals with responsibility for presenting PSVs for annual test.

Benefits

This one day course is designed to provide an understanding of the Disability Discrimination Act 1995 in relation to the requirements placed upon PSV operators at the time of the vehicle's annual test.

As a result of attending this course delegates will maximise their chances of detecting DDA related defects that would have otherwise attracted a failure at annual test.

Additionally, categorising defects according to the inspection manual criteria may result in a significant reduction in both cost and down time associated with vehicle preparation.

Training at your premises

Facilities required

Classroom:

- LCD projector & screen
- TV & DVD player
- Flipchart or white board

Workshop:

- DDA vehicle

Maximum students 8

Course fee:

1 Day £825 + VAT
