

Road transport industry seminars

VOSA hold a series of half day seminars on an annual basis, usually during September to November, covering a wide range of topical issues relating to the Road Transport Industry.

The aim of these annual events is to provide information and advice and have a positive dialogue with all those involved in Road Transport. Last year 1000 of you attended these seminars, representing a good cross section of the industry.

Our seminars are hosted by professional presenters and we provide experts in the seminar topics to help provide answers to any questions you may have during question and answer sessions.

The seminars run as follows:

- 13:00 Lunch
- 14:00 Presentation
- 15:15 Tea & Coffee break
- 15:45 Questions and Answers
- 16:45 Finish

Call our Hotline for more information on forthcoming events on 0117 954 3444.
