

So you want to be an MOT tester

You need to:

- 1 Be sponsored by the Authorised Examiner of a vehicle testing station.
- 2 Have a full (unrestricted) driving licence for the classes of vehicle you want to MOT test.
- 3 Be a skilled mechanic with at least 4 years full time experience repairing the vehicle types you will be required to test.
- 4 Have no “unspent” convictions for criminal offences connected with the Vehicle Testing Scheme or the motor trade, or involving acts of violence or intimidation.
- 5 For classes III, IV, V or VII, have passed the NTT Assessment exam or have one of the following vehicle qualifications:

National craft certificate in the specialism of Vehicle Maintenance and Electronic Systems.

City and guilds

- i. Repair and Servicing of Road Vehicles, 383 - full level 2 or 3
- ii. Motor Vehicle Craft Studies, Modular - part 3 (requires 3 modules)
- iii. Motor Vehicle Craft Studies, 381 - full part 2 or 3
- iv. Motor Vehicle Craft Studies (pre 381 syllabus) - full part 2
- v. Light or Heavy Vehicle Mechanics Craft studies - full part 2 or 3
- vi. Motor Vehicle Technician's Certificate - full part 1

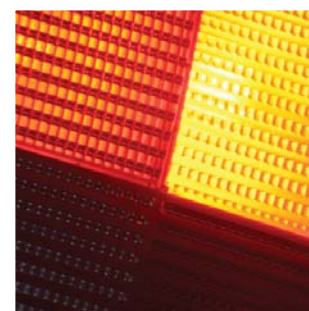

BTEC, Motor Vehicle Engineering Studies, National Certificate or ONC.

Scottish Vocational Educational Council

National Certificate in Vehicle Mechanics and Systems, part 3.

NVQ or SVQ

- i. Vehicle Mechanical and Electronic Systems, Maintenance and Repair (LV) or (HV) level 3.
- ii. Vehicle Technician - Vehicle Maintenance and Repair (LV) or (HV) Level 3

So you want to be an MOT tester

What next?

- Complete a VT78 application form and send it to:
**Vehicle & Operator Services Agency (VOSA),
Training Services, Booking Section,
Berkeley House, Croydon Street, Bristol
BS5 ODA Tel 0117 954 3434.**
- For classes I or II (motorcycles), successfully complete the 2 day VOSA Nominated Tester Training (NTT MC) course and pass a practical test at your sponsor's vehicle testing station.
- For classes III, IV, V or VII, attend and pass the 3 day VOSA Nominated Tester Training (NTT LV) course and pass a practical test at sponsor's vehicle testing station.

The NTT Assessment for classes III, IV, V or VII

If you do not have one of the qualifications listed, but you comply with 1, 2, 3 & 4, then you will automatically be put forward to sit the VOSA Nominated Tester Assessment exam (NTTA)

The exam is one and a half hours long and consists of 60 multiple choice questions. The questions are entirely technical and cover vehicle items included in the MOT test i.e. brakes, steering, suspension, wheels & tyres, electrical systems, body and corrosion, exhaust emissions and general subjects.

This assessment will take place at your local VOSA Area Office.
